Comprehension Skills: 40 Short Passages for Close Reading: Grade.

A majority of students in the upper elementary and middle grades are beyond decoding instruction and need more assistance with comprehension to help them become successful, independent readers. Strategic reading allows students to monitor their own thinking and make connections between texts and their own.

from *Strategies That Work*, *Mosaic of Thought*, and *Reading with Meaning*, this page gives you information on the six comprehension strategies known as making connections, questioning, visualizing, inferring, determining importance, and synthesizing.

Learning to read is a complex process, and of course, the entire purpose of reading to is gain information through comprehension of text. Reading comprehension is so important it requires its own teaching strategies. Research also identifies comprehension as one of the five components of effective reading instruction.

Abstract. In their daily lives, students often experience directives rather than real conversations. Conversation provides opportunities for students to practice and use cognitive strategies, and is critical for developing comprehension. Conversation is authentic, and becomes evidence for teachers to determine strategies used.

Comprehension Connections makes the comprehension process achievable, accessible, and incremental. Tanny's lessons build bridges between the concrete and the abstract by incorporating writing, discussion, song, art, and movement into a web of creative connections that reinforce each strategy on a variety of levels.

Teaching tips, resources, and ideas for literacy instruction; Mentor Text Lessons; Book Recommendations; Writing Instruction.
