pages, contact us and we can make one for you. Note that the US maps all have multiple  
finishing options. You can get them in paper, laminated,.

It's pretty much what it says it is: a roadmap. It includes a good amount of detail (about as much as I think is possible for the size - it will obviously not have every country lane). But it's probably not a good choice to take on the road. The folds are not reinforced and the size makes it hard to unfold without ripping. After a week.
