Descripción

Un póster, es una hoja de papel impresa de gran formato diseñado para ser instalado en una pared o superficie vertical con el único propósito de hacer publicidad o promocionar algo. El cartel incluye elementos tipográficos y gráficos perfectamente mezclados entre sí para difundir un mensaje. El mensaje tiene que ser claro y la comunicación visual directa, cuanto más llamativo es el póster, mayor es la probabilidad de conseguir un impacto en el público. En este impresionante libro a todo color veremos ejemplos de diseños de carteles, a página completa, de todo tipo y propósito, desde música y entretenimiento, pasando por eventos, conferencias, instituciones, museos y exposiciones, hasta aquellos que simplemente sirven para la promoción de cualquier empresa. ¡Bienvenidos al mundo de los gráficos super size!

27 Oct 2017 . While the London Underground has long celebrated its association with pioneering artists, it is not widely acknowledged that many of the original poster designs were created by women. At least 170 female artists were known to be commissioned since 1910 and it's likely many more contributed. The Poster.
