### Descripción

"Rhythms and cycles of countryside romanization és el primer numero de la col·lecció Studies on the rural world in the roman period. En aquesta col·lecció es pretén aplegar estudis efectuats recentment sobre el món rural d'època romana i especialment centrats en el mediterrani occidental. Cada numero està dedicat a una temàtica específica, en aquest cas als diferents ritmes i als cicles de la romanització de les terres situades al nord del riu Llobregat, així com dels territoris de la Gàl·lia mediterrània. En aquest número s'apleguen fins a 8 aportacions centrades en aquest territori i temàtica."
