EN EL MUNDO DE LA ESTÉTICA VINTAGE, RETRO Y BURLESQUE, BIBIAN BLUE ES UNA EMINENCIA Y LA DISEÑADORA ESPAÑOLA POR AUTONOMÍA.

Sus colecciones llevan más de diez años triunfando en media Europa, su nombre es toda una referencia en la escena alternativa y es única fusionando retro y avant garde. Es Bibian Blue, la diseñadora vintage más conocida en nuestro país, y la única que ha trabajado con personalidades de la talla de Porl Thompson (guitarrista de The Cure) o Victoria Francés. Sus diseños son únicos, personales e incomparables y en las páginas de este libro encontrarás una selección de sus mejores creaciones.

I have not seen many lingerie brands doing ombre that much, not at least with their lace which makes the dip-dye effect of the bra subtle yet effective. The colours match beautifully, when on the other hand they clash just a bit with the other one being so jewel-bright and the other almost a grey-ish pastel. The style of the.

5 Aug 2016 . Chokers are one of the most amorphous trends we've seen, manifesting in nearly every material imaginable: metals, leather, velvet, lace, ribbon, and even bandanas. These unconventional textiles (at least for jewelry) have opened the floodgates. Now, to get in on the look, you can literally make a choker.

5 Jun 2017 . MY OUTFIT White glamour dress. For a little white dress that can be worn for different occasions, the stylists recommend the asymmetric dress, a little shorter in front of it and a bit longer in its back, or another solution might be to wear a short straight dress without any embroidery or laces. Besides this, you.

19 Jan 2014 . I promised I would get back on the issue of vim and why I wouldn't recommend it to anyone, and why (horror, shock, awe!) I find it kind of retrograde. That, importantly, doesn't mean that everyone is not free to use it, and, to the contrary, people should use it when they are bound to console mode for some.

This truly unique upholstery material is a hallmark of Hancock & Moore seating. We devote many hours hand selecting the finest leathers being produced today.
