Descripción

Luca es un consultor espiritual que posee un don que va más allá de conversar con espíritus. Nació con un ojo azul y uno castaño: el ojo castaño ve el mundo de los vivos y el ojo azul, el de los muertos. Removido de su tranquila vida por un misterioso señor interesado en una consulta espiritual particular, Luca descubre que es el único capaz de romper las reglas del universo que existe después de la vida. Gracias a ello, se le encomienda una misión: viajar al Reflejo, el mundo paralelo de los muertos, para encontrar al Equilibrium, el ser responsable por el mantenimiento del flujo de espíritus errantes que descontroladamente se acumulaban en el mundo de los vivos. En el Reflejo, una visión distorsionada e invertida de su propio mundo, Luca se encontrará con una gran aventura, así como también con feroces enemigos, pero también con una nueva amiga, que lo ayudará en su búsqueda alucinante a través de las calles habitadas por centenas de espíritus errantes.

built for tackling critical mix/mastering tasks. This sets a new standard in EQ. See for yourself,
download the demo. Previous◁ Next▷□.

When all the forces that act upon an object are balanced, then the object is said to be in a state
of equilibrium. The forces are considered to be balanced if the rightward forces are balanced
by the leftward forces and the upward forces are balanced by the downward forces. This
however does not necessarily mean that all.

Equilibrium Products is a British company who design & develop innovative horse products
that promote the physical and mental wellbeing of the horse.

22 Dec 2017 . The Commission's latest action on Poland is a step in the right direction, but the
EU will not escape this authoritarian equilibrium until it addresses the situation in Hungary as

well.
