Descripción

Segundo relato corto de terror parte de la serie Dysentery.

Sentidos, joven invidente gracias a causas hereditarias sufre y se lamenta de su problema hasta que alguien trata de "animarlo" viviendo situaciones extrañas y terroríficas gracias a sus sentidos.

The Sentidos' regiment falls to an outbreak of dysentery, and men are dying faster than they are falling in battle, and able hands are needed at the front more than they are required to bury the dead. Leriang, thirsty for blood and haunted by her failure as a medic, is finally allowed to stay on the lines and fight. Leriang's skill at.
